Daily Diary, 29 March 1951, O/RR (AD/RR information unless otherwise stated)

D/A: A meeting of the ACEP (Advisory Committee on Export Policy - COMMERCE) has been called at 2:30 p.m., 29 March, to CONSIDER THE ADVISABILITY OF ARRANGING BARTER TRANSACTIONS FOR THE IMPORTATION OF ESSENTIAL AND STRATEGIC CHINESE MATERIALS. The intelligence which [] will present at this meeting will be to estimate the adverse effect upon our export control program which might result if commodities which we would not send to the USSR are exported to Communist China.
